

## Literacy

In our daily Literacy lessons, we will be writing and sharing

- stories in familiar settings
- letters, lists and posters
- songs and repetitive poems
- information texts

### Year 1

1. Write, leaving spaces between words
2. Begin to punctuate sentences using a capital letter and a full stop, a question or exclamation mark.

### Year 2

1. Learn how to use punctuation correctly, incl. capital letters, full stops, question or exclamation marks
- Learn how to use sentences with different forms: statement, question, exclamation, command.

## PE

We have daily outdoor sessions. These are based around a range of games and exercise skills.

## Music

We are using Oak National lessons to support our Music teaching. This term we are learning about pulse and rhythm.

## Phonics

We follow Letters and Sounds and have a phonics and handwriting session every day.

## PSHE & RE

We learn about the qualities of friendship and how our actions affect others. We will also learn how to deal with problems and feelings.

We will follow the SACRE guidelines in our RE lessons about commitments and respecting the religions in our community.

## Year 1 and 2 Curriculum Map Autumn Term

## History & Geography

In History we will learn about things from the past and how they have changed and learn about some famous people.

In Geography we will learn about where we live. We will use a map to locate countries of the UK. We will look at the world and name the continent and oceans. We will look at some major cities what features they have.

## Art & DT

In Art we will be learning about drawing and how to shade and use tone. We will explore colour using pencils. We will look at the skills of collage and create our own 3D model.

## Numeracy

In our daily Numeracy lesson we will be learning about:

### Year 1:

- Sorting, counting and representing numbers to 10
- Addition facts to 10
- Subtraction facts to 10
- 2D and 3D shapes
- Comparing numbers to 20

### Year 2:

- Number and place value to 20 and 50
- Addition and subtraction to 100
- Number bonds to 100
- Simple multiplication x2, x5, x10
- Money and problem-solving

We will also have a weekly number bonds check and arithmetic lesson.

We are following the Whiterose maths scheme

## Science

In Science we will be learning about ourselves and keeping healthy. We will name our body parts and what they do and learn about our senses. We will learn about the seasons and what happens when they change.

## Computing

Our lessons will cover basic computer awareness and use. We will also cover aspects of internet safety.
