

The background features a vertical gradient from light green at the top to light blue at the bottom. Numerous realistic water droplets of various sizes are scattered across the surface, with some concentrated in the top-left and bottom-right corners. A faint, large, light-colored oval shape is centered in the upper half of the image.

# Writing Tasks For Y3

## Story Writing

Treasure is hidden deep in the rainforest. Write a story about your adventure to find it.

## What the dinosaurs saw

Write descriptively  
about what happens  
next.

Write a diary entry as an astronaut who has landed on a strange world.

What will happen next...

Describe the creature.

Explain why it lives here.

Who is the boy?

What is he hoping to catch?

What happens next?

Continue the story

Create five of your own exercises.

For each one **write instructions** for how to perform it. You may want to add diagrams with labels to help your explanations.
