The children are enjoying their Christmas week of craft activities, film & popcorn and party games. The children were delighted that Father Christmas, in his busy schedule was able to drop round and leave them some presents.

This has by no means been an easy time for any of us, but we have achieved so much and should be proud of our children, our staff and our school community.

Happy Christmas and our very best wishes from everyone here at Manor Primary School.

Thank you to everyone for their kind gifts and support through these challenging times.
