Welcome back!

The children have settled in to school life really well today. We have continued our routines from the Autumn Term and they have responded quickly to this familiar approach.

Our building works are underway for our two class block. The site has been secured and access is controlled at all times. This project will be on-going throughout the remainder of this school year.

Diary Dates

Term ends: Thursday 1st April 2021

New term starts:
Tuesday 20th April 2021

BUG CLUB READING

This will continue to be the home reading each week.

Remember to click on the bug to complete questions as part of your reading and to finish the book. Once this has been completed a new book will appear in My Stuff. Every child has their own login details if you have lost these please let the school know.

SCAMPS

This provision will remain closed for now. The staff are being re-deployed to provide additional class support which will help with the children returning to school.

We are working on providing some provision during the Summer Term while maintaining some distance between groups.

Further information will be sent home later this week.
