

## Literacy

We start each day with a phonics session. In our daily Literacy lessons, we will be writing

- stories in familiar settings
- letters, lists and posters
- songs and repetitive poems
- information texts

### Year 1

1. Write, leaving spaces between words
2. Begin to punctuate sentences using a capital letter and a full stop, a question or exclamation mark.

### Year 2

1. Learn how to use punctuation correctly, incl. capital letters, full stops, question or exclamation marks
- Learn how to use sentences with different forms: statement, question, exclamation, command

## PE

Each week we have a music and movement lesson and a games skills lesson.

## Music

Each week we will sing songs linked to our themes. We will play percussion instruments and explore their sounds.

## Outdoor Activities

A daily adult led planned time to learn how to play together.

## PSHE & RE

We will be discussing our school and people in our community. General school issues.

We will follow the SACRE guidelines in our weekly RE lesson.

## Year 1 and 2 Curriculum Map Autumn Term

## History & Geography

In History we will learn about things from the recent past and how they have changed.

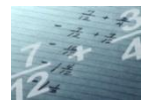

In Geography we will learn about where we live. We will draw routes and plans and use maps to locate places and countries we know.

## Art & DT

In DT we will make things using different materials including clay. In Art we will be learning about drawing and how to shade and use tone. We will explore colour using paints, pastels and pencils, focussing on portraits and famous artists.

## Numeracy

In our daily Numeracy lesson we will be learning about:

### Year 1:

- Number and place value
- Addition and subtraction to 20
- What multiplication and division mean
- Coins and their value
- Understanding of time
- Simple 2D and 3D shape

### Year 2:

- Number and place value
- Addition and subtraction to 100
- Simple multiplication and division 2, 5, and 10
- Different measures - time, length
- Exploring shape and simple fractions

We have a weekly arithmetic lesson and a number bonds check.

## Science

In Science we will be learning about;  
Ourselves and keeping healthy  
Materials and their properties

## Computing

Our weekly lesson will cover basic computer awareness. We will explore different programmes to support our themes and use adult chosen websites e.g. google earth
