School News.

Our website: www.manor.walsall.sch.uk

We are now settling into school life and our systems for drop off and collection seem to be working. Please do not use your mobile phones when coming onto site as these are not allowed as part of our Safeguarding Policy. We would also ask reception parents to keep their children away from the parked cars please. In exceptional circumstances some Year 6 pupils may require the use of a mobile phone. If this is the case, please request a consent form and the mobile MUST be handed into the office each day.

SCAMPS

Please always close the gate behind you when you enter and leave.

Please do not use the carpark as this is for staff and visitors.

Parking: This is now becoming a real problem for our school and our reputation is being damaged significantly by this. The police, residents, councillors, MPs and some parents are dismayed by the lack of consideration and cooperation. The police are using camera vehicles. We do need everyone to play their part in getting this right and keeping our children safe.

Please ensure that your child has a coat with them every day.

School uniform is to be worn, including school shoes. A change into trainers will be required at key points in the day.
