School News.

Our website: www.manor.walsall.sch.uk

Our Year 3 children have been visited by Audiology and we facilitated the Flu vaccination programme today. We are looking forward to seeing you at our parent meetings next week. Please can we remind you that you need to be prepared to wait outdoors prior to your allotted appointment and that children are not allowed. Parents will need to wear masks please. From Monday all schools in Walsall are being asked to consider re-introducing COVID-19 secure measures. We have continued to be cautious in our day to day life at school and will continue to do all we can to keep our children and staff safe.

SPORT:

We are linked to Streetly School for sporting events with other local schools. The first events have been with the older children. Well done to our Year 6 children who have played in a football and netball tournament. They loved being able to play against other schools and really enjoyed their games.

Parking: 'An accident waiting to happen!'

Day after day I receive complaints from very angry and frustrated adults. The police have now advised us that adults can take photographs and send them to our email address which we can then forward to them. These can be acted upon if it is deemed a traffic offence has been committed. The parking needs to improve and we do need to be more considerate of the residents who live here.
