

Literacy

In Literacy this term we will be covering many books designed to develop and increase children's language development and descriptive writing. These include;

- 'King of Space,'
- 'The day the crayons quit,'
- 'The day the crayons come home.'

We will also be using various books and passages linked to suspense writing.

Science

In Science this term we will be learning about;

- The Universe,
- Plants,

Computing

This term our topics are 'Coding' and 'Digital Gaming.'

Children will often undertake a second cross curricular lessons, usually research, so that children learn the skill of reading for information and showing their comprehension.

PHSE/RE

In PHSE, we will be discussing;

- International Space Centre
- Cash crops
- Roman remains

We will also discuss a range of school council topics linked to British values and wider school life.

We will follow the SACRE guidelines in our RE lessons.

Year 3 and 4 Curriculum Map Summer Term

History and Geography

History and Geography learning often links together as well as linking into other subjects such as Science, Literacy and Art. We will learn about;

- Romans,
- Roads and Maps.

Art and D.T

In Art and DT this term we will be learning about;

- Space Art
- Roman Mosaics

Numeracy

In Numeracy this term we will be learning more about;

- Multiples and Division,
- Measures including capacity,
- Problem solving
- Shape, including nets,
- Reflection and translation

We will also have a weekly x table test and a weekly mental maths lesson to focus on mental calculations and strategies.

PE

Children will have two PE lessons each week. Our topics for this term include;

- Striking and fielding; Cricket and Rounders
- Athletics; both indoor and outdoor

Music

We will continue to learn how to sing in our weekly lessons with a vocal coach.
