We hope our families enjoyed their Diwali celebrations last week and bonfire night too.

Finally, after 20 years or more the flooding issue at our school gates has been sorted. During half term they laid an extensive water pipe across our Key Stage 1 playground so that the surplus water is drained away.

We are delighted that our recorders have finally arrived and that our Year 6 can now start to learn to play them.

PTA – The PTA is a group of parents who work together to fundraise and provide community events for our school. Due to COVID we have not been able to do this. However, with a potentially brighter future we could have a provisional meeting to consider a Summer Fayre for 2022. If you are interested, then please come along to a socially distanced meeting in the school hall on **Wednesday 24th November at 7:00pm.** We look forward to seeing you.
