

Literacy

In In Literacy, we will be investigating, writing and evaluating the following genres:

- Descriptive Writing.
- Recounts (including diary pages).
- Informal letters.
- Letters of complaint.
- Instructions.
- Composing a range of poetry.

PSHE & RE

We will be discussing our school community, the community around our school, and helpful people in our community.

We will follow the SACRE guidelines in our RE lessons about leadership.

Year 5 and 6 Curriculum Map Autumn Term 2017

PE

This term we will be working with an outside sports agency on netball and dance. School based will be circuits and gymnastics.

Music

We will be singing a range of songs from the modern era linked to our History theme of Entertainment and Leisure.

French

In French we'll be having weekly lessons from a specialist languages teacher.

Science

In Science this term we will be learning about;

Forces - How gravity, momentum and friction combine to make fairground rides a thrilling experience.

Mechanisms - Investigating how pulleys, levers and gears affect the amount of force needed to move objects.

DT

In DT we'll be using our learning about of the mechanisms we study in science to create model fairground rides and adding electrical circuit to power them.

Numeracy

In Numeracy this term we will be learning about:

- Place value of numbers larger than a million.
- Properties of numbers (squares, roots, factors and multiples).
- Rounding to powers of 10 and using this skill to check calculations.
- Negative numbers.
- Number sequences.
- Arithmetic.
- Problems in contexts.

Theme

In History we'll be studying how Entertainment and Leisure has changed over from the Anglo-Saxons era to now. In Geography, we'll be looking at the location of theme parks from around the world, learning how to read and write positional references using longitude and latitude.

Computing

We will learn how to write code in order to create an interactive game. We will learn how to write nested programmes and use Unicode using Kodu, Snap and Logo. As a central part of our Computing lessons, we will learn about E-Safety, how to stay safe and be responsible online. We will use the internet for research.

Art

In Art we'll be learning about the works of the great artists Lowry and Picasso, using their styles to create our own pictures.
