I know why people have jobs.

Which jobs can you name?

Who are the people in our community who have a job that helps us?

Different Jobs

Look at these different jobs. Can you recognise what each person does?

Car Mechanic

Car mechanics main role is repairing vehicles. They quote customers before starting the work which may involve repairing or replacing parts. They also perform annual 'health checks' on vehicles called MOTs.

Electrician

An electrician works with installing, maintaining and repairing electrical wiring in buildings, machines and equipment.

Shop Assistant

Shop assistants can be found in lots of different types of shops. Their main role is looking after the customers and helping them in anyway they can. They usually need to sort and display all the items around the shop, work on the checkout or customer service areas, and keep everything looking clean and tidy.

Plumber

Plumbers install, maintain and repair water systems which provide us with drinking water, sewage disposal and drainage.

Teacher

Teachers educate children and adults. In most countries, this happens in schools by paid professionals although they may also teach in online settings or as a tutor.

Hairdresser

Hairdressers cut, colour and style customer's hair. The job also involves washing hair, cleaning the salon and talking to customers to keep them occupied and happy while having their treatment.

Doctor

Doctors diagnose and treat conditions, disorders, and diseases. Depending on where the doctor works, they will treat different things. A GP (General Practitioner) sees lots of different patients, prescribes medication or recommend other forms of treatment, and can refer patients to specialist clinics when needed.

Office Worker

Someone who works in an office will usually work on a computer performing administrative jobs. Office roles can be for many different jobs, such as customer support, marketing, HR (Human Resources) or finance.

Pilot

Pilots fly different types of aircraft carrying passengers or cargo across a country or internationally.

Waste Collector

Waste Collectors collect and dispose of rubbish, including items that can be recycled. Specialised vehicles are used to help them collect and dispose of the waste in a safe way.

Police Officer

Police officers have the role of protecting the general public by investigating and preventing crime.

Bus Driver

Bus drivers transport passengers to different places in buses – some locally and some across long distances (sometimes even internationally).

ICT/ART

21.01.22

I can explore computer art.

We are going to explore digital art.

Can you create a picture using digital art?

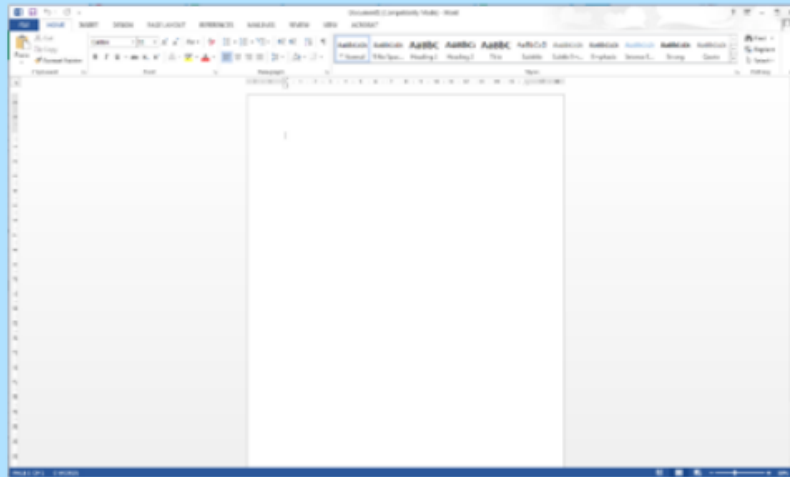

Look at the different tools that you can use to create a picture.

21.01.22

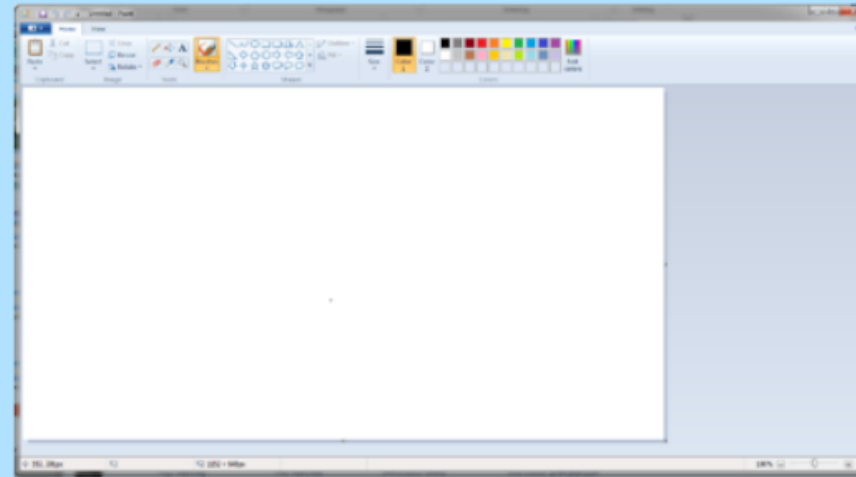

I can create computer art.

- Have you created art using a computer before?
- Which program or app did you use? Why?

MS Word

MS Paint

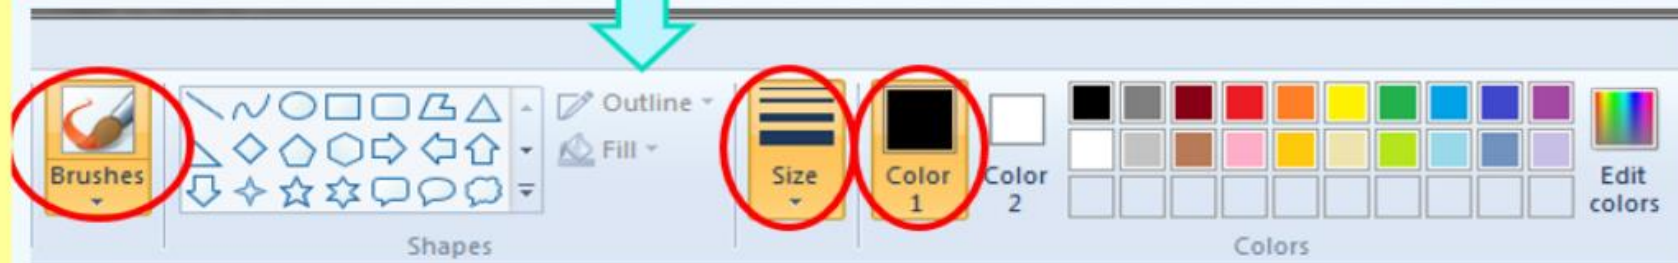

Which of these programs can we use for creating art?
Which is best and why?

21.01.22

I can create computer art.

Which Tools?

This is what we call a toolbar.

It shows you what tool you are using and any important information (like size or colour).

For this lesson you will need keep the brushes selection the same as it is the only one that allows you to make dots.

You will need to select the right colour for Colour 1 - Colour 2 should stay white.

You will need to select the size of the dot you will use.

21.01.22

I can create computer art.

Now have a go
yourself.
