

Monday 24th January 2022

I can predict a story.

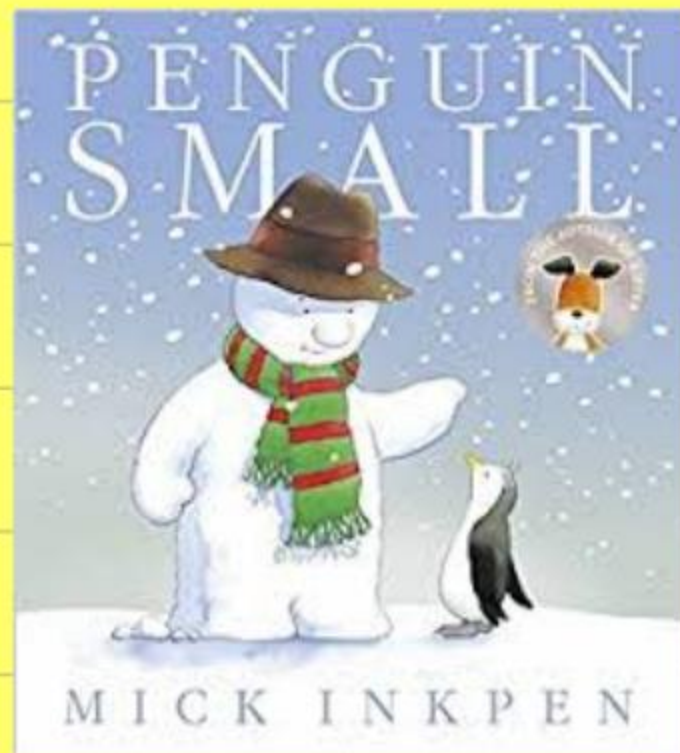

What is a prediction?

Monday 24th January 2022

I can predict a story.

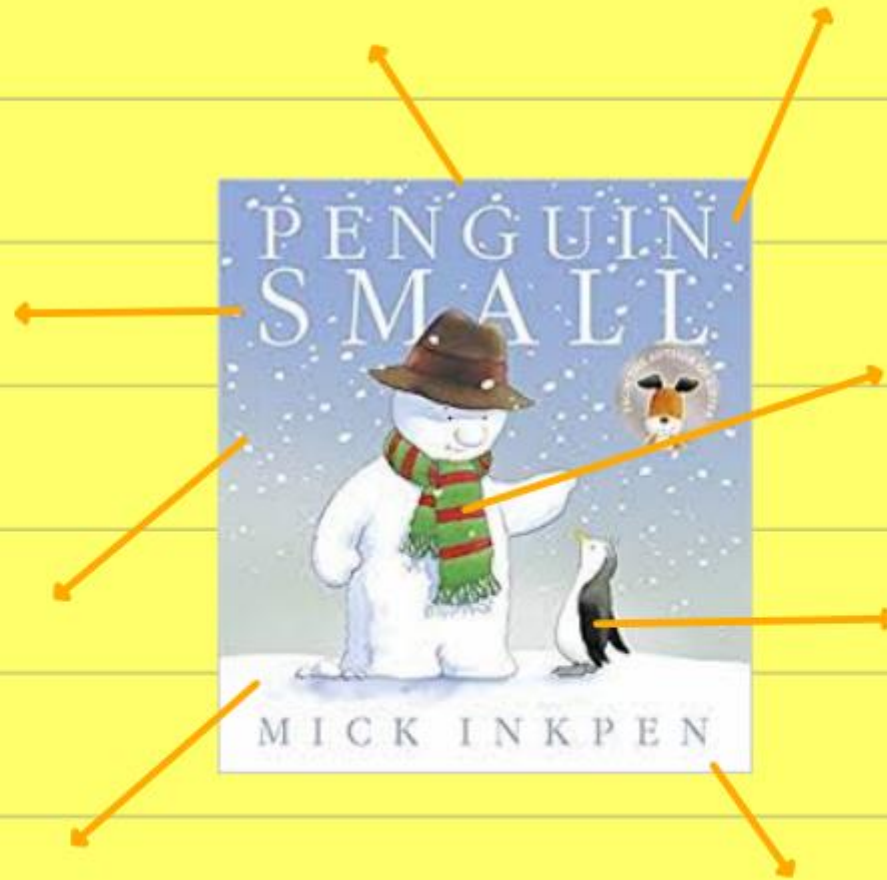

Looking only at the front cover, what do you think wil happen?

Monday 24th January 2022

I can predict a story.

Predictions:

Monday 24th January 2022

I can predict a story.

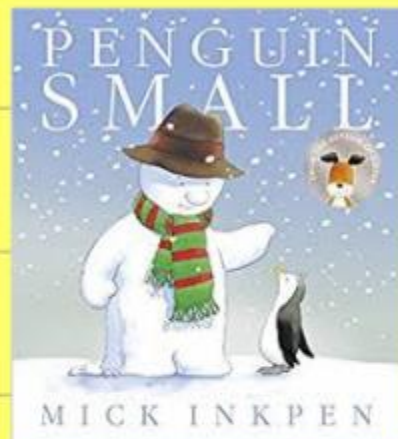

Use 'because' to explain your prediction.

I predict that _____

Monday 24th January 2022

I can predict a story.

What was your prediction?

2.4.1.2.2

A5 I can add and subtract

A6 What does this symbol mean?
What different words do we use for this symbol?

24.1.22

A5 I can add and subtract

A6 What does this symbol mean?
What different words do we use for this symbol?

24.1.22

A5 I can add and subtract

A6 Look at this number sentence?

What different methods could we use to solve it?
What equipment might we use?

$$16 + 18 =$$

2.4.1.2.2

A5 I can add and subtract

A6 Look at this number sentence

What different methods could we use to solve
What equipment might we use

$$23 - 12 =$$

2.4.1.2.2

A5 I can add and subtract

A6 Task

Choose a question card.

Check which operation you need to do. (Is it add or subtract?)

Choose a method to solve the equation.

24.1.22

A5

I can add and subtract

A6

$$12 + 7 =$$

$$9 + 7 =$$

$$12 - 9 =$$

$$20 + 14 =$$

$$13 + 6 =$$

$$13 - 4 =$$

$$18 + 5 =$$

$$9 + 15 =$$

$$15 - 9 =$$

Theme

1:30-2:00

24.1.22

I can locate Australia.

© oxford designers & illustrators 2004

Where is Australia?

24.1.22

I can locate Australia.

What continent is Australia in?

24.1.22

I can locate Australia.
