# PIGS IN PERIL

Yesterday, a family of pigs, from Farmsfield, struggled to survive after their house was nearly blown down by a hungry wolf.

Alfie, Bertie and Charlie, of Pickle Farm House, were left shaking in terror after Mr A. Wolf (30) from Beeston, went on a rampage to get his supper last night. Now, they feel relieved that they managed to survive but live in fear that the wolf might return.

During the night of the ordeal, the three little pigs clung to each other for comfort while the wolf attempted to blow their house down. Next, they managed to escape through the back door and seek their refuge in the fields behind. Meanwhile, Mr Wolf became breathless and gave up.

This afternoon, Bertie exclaimed, "It was the most terrifying experience we have ever had! Consequently, we are worried that Mr Wolf will return with more puff than ever before."
