I can create computer art.

Have you created art using a computer before?

Which program or app did you use? Why?

MS Word

MS Paint

Which of these programs can we use for creating art?
Which is best and why?

28.1.22

I can create computer art.

Which Tools?

This is what we call a toolbar.

It shows you what tool you are using and any important information (like size or colour).

For this lesson you will need keep the brushes selection the same as it is the only one that allows you to make dots.

You will need to select the right colour for Colour 1 - Colour 2 should stay white.

You will need to select the size of the dot you will use.
