I can write about an animal.

From that day on the giraffe was never lonely again. The purple animals would wait for the giraffe to lower his head and join in the conversation. The birds and monkeys in the trees were no longer afraid of the giraffe's big head. The cockatoos would find the sweetest leaves for the brave giraffe. The elephants would trumpet "good morning" and the snakes would hiss "hello". And the grumpy lion would pretend to growl before falling asleep in the sunshine.
