

# Number formation

All numbers begin on the red dot and follow the arrow.

Please see the reverse for language used to aid formation of each number.

Please support this use of language when at home as it helps children become familiar with the correct formation for each number.

Curly caterpillar,  
make a loop

Down the ladder

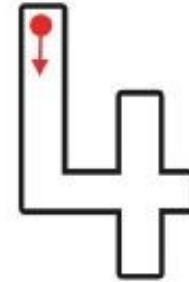

Give it a neck,  
diagonal down,  
straight across

Loop it out and in,  
out and in

Down the ladder,  
straight across,  
cross it through
