Dear Mary,

A boy called Mark lives next door. He is the same class as me at school. Mark is very good at sports and English. He likes animals just like we do, but even more. He says he is going to be a vet when he grows up.

I am still thinking about being a writer. Do you want me to send you the story I am writing when it is finished? It is all about animals having adventures.

Write back soon. I am really looking forward to hearing all your news.

Love,  
Jenny.
