I know the Muslim story

The Revelation of the Qur'an

Muhammad was born in Mecca in Saudi Arabia in AD 570. He worked as a merchant and became known for his honesty. He was a deeply spiritual person and would often meditate on Mount Hira.

In AD 610, he was meditating in a cave on Mount Hira when the Angel Gabriel appeared to him. The angel spoke to him.

The angel said the word 'Allah' and Muhammad began to recite words which he believed came straight from God. This was his first revelation from God.

Prophet Muhammad

Over the next 22 years, Muhammad received revelations from God. These revelations were written down as the Qur'an. From that time, Muhammad was known as Prophet Muhammad and he preached about the revelations for the rest of his life. He is recognised as the founder of Islam.

Prophet Muhammad believed God had chosen him to preach what had been revealed to him and tell the world.

The principle message is that there is no God but Allah and that life should be lived in submission to Allah.
