# What is world book day?

# WORLD BOOK DAY

# What Is World Book Day?

World Book Day is about children exploring the amazing world of books and reading!

Celebrations are held around the world:

- In the UK and Ireland, World Book Day is always held on the first Thursday in March.
- In the USA, World Book Day is on March 2<sup>nd</sup>.
- Around the world, in more than 100 countries, World Book Day is held on April 23<sup>rd</sup>.

# History of World Book Day

World Book Day began with a decree by UNESCO, the United Nations Educational Scientific and Cultural Organization.

The first World Book Day was held in April 1995 – over 20 years ago!

The idea for World Book Day came from the Spanish celebration of “Saint George's Day” or “Sant Jordi's Day”. It was a day where people gave each other a rose and a book they have bought to show their love (very similar to Valentine's Day).

# Six Reasons to Celebrate World Book Day!

1. The more you read, the more you'll know.
2. Books are magical and you can visit other worlds and times.
3. Books spark your imagination.
4. Reading helps you become a better writer.
5. Find a special book and have a 'friend' for life.
6. Books are relaxing to read after a long day at school.

Something to think about...

Reading gives us  
somewhere to go when we  
have to stay where we are.

# How Do We Celebrate World Book Day?

Every child in the United Kingdom and Ireland receives a free book!

One million book tokens will be given out.

They can be swapped for one of twelve specially written books, or you can get £1 off another book.

Something to think about...

Reading is to the mind what  
exercise is to the body.

Thursday 3rd March 2022

# Design a book cover.

It can be  
for a story  
you know or  
a new story.

### 3.3.22

## I can record our favourite books

Book	
	
	
	
	
	

How could we find out which is the classes favourite book?

### 3.3.22

I can record our favourite books

We are going to make a tally. Ask the people in your house which book they like.

Book	Tally
	
	
	
	
	

3.3.22

I can record our favourite books

Now lets make a block graph  
to show what we found out.

12					
11

6					
5					
4					
3					
2					
1					
					

Colour in a box for each number you counted.

# Theme

3.3.22

I can explore how the height of a ramp affects how far a car travels.

Ramp 1

Ramp 2

Ramp 3

3.3.22

I can explore how the height of a ramp affects how far a car travels.

Make a prediction. Which car do you think will travel furthest?

I predict that...
