4.3.22

I can create a puppet.

**What will you
choose
to make?**

4.3.22

I can create a puppet.

Vocabulary

- **Puppet** – almost anything brought to life by a human in front of an audience.
- **Animation** – bringing something to life through movement and action.
- **Manipulation** – the way a puppeteer moves or works a puppet.
- **Rod puppet** - a puppet constructed without shoulders, arms, or legs and manipulated by one or more rods.
- **Shadow puppet** – a flat, two-dimensional puppet designed to cast a shadow or form a silhouette on a white screen.

4.3.22

I can create a puppet.

What will you need?

Plan your design.

Now make your puppet.

Now evaluate your puppet.
