exper

experi

experiment

experience

The second time that you copy, try to use today's **Word of the Day** in your own sentence instead of the sentence below.

During Science experiments, I find

it such an exhilarating and knowledgeable experience. It makes me love Science even more.

Do you know what this word means? Would you be able to explain its meaning to someone and give an example of its use?

Thursday 24th March 2022

I can use powerful verbs in my writing.

Where did your character go?

What happened to them?

Describe it to your partner.

Now think about what might happen to them next ...

Thursday 24th March 2022

I can use powerful verbs in my writing.

What can you:

- See
- Hear
- Smell
- Touch

Thursday 24th March 2022

I can use powerful verbs in my writing.

Beginning

Where does your story start?

Who is there?

Hundredths as decimals

I Complete the table.

Hundred square	Words	Fraction	Decimal
	thirty-six hundredths		
		$\frac{82}{100}$	

I

Hundred square	Words	Fraction	Decimal
			0.27
			
	seven tenths		
			0.3

2 Draw decimal place value counters to represent the numbers.

a) 0.03

c) 0.63

b) 0.6

d) 0.36

3 The counters represent tenths and hundredths.

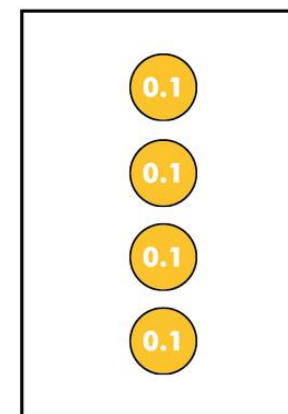

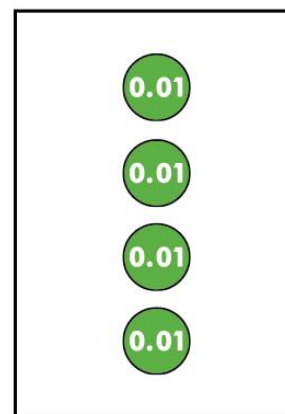

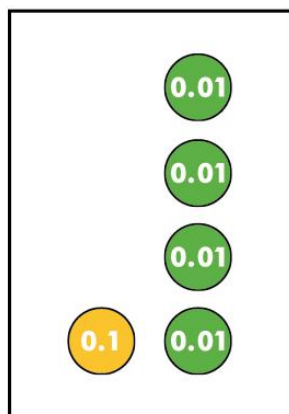

a) Match the decimals to the groups of counters.

0.04

0.4

0.14

0.41

b) Write each decimal as a fraction.

$$0.04 = \boxed{}$$

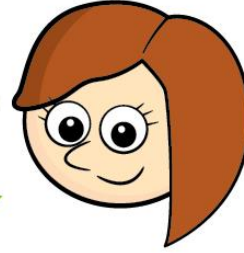

$$0.4 = \boxed{}$$

$$0.14 = \boxed{}$$

$$0.41 = \boxed{}$$

4

3 hundreds is
the same as $\frac{3}{100}$

Is Rosie correct? _____

Explain your answer.

5 Match the decimals to the descriptions.

Some of the numbers can be described in two ways.

1.3

one tenth and three hundredths

thirty hundredths

0.03

one and three tenths

thirteen tenths

0.3

thirteen hundredths

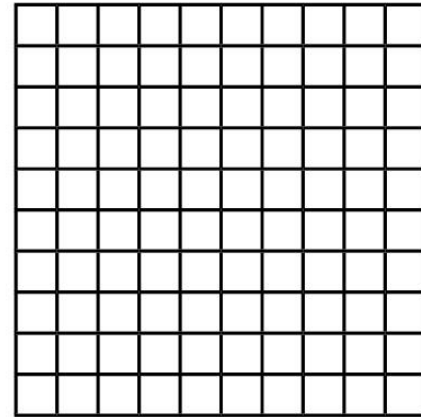

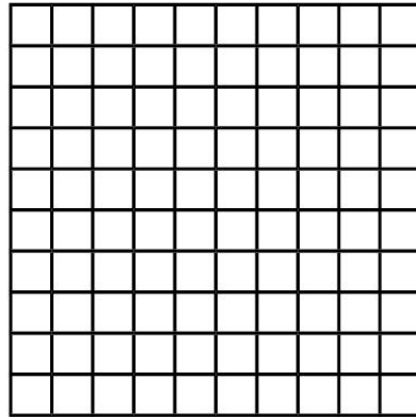

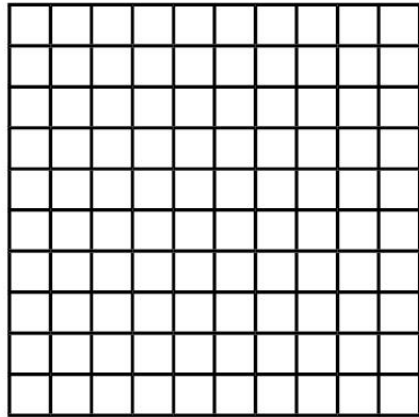

three tenths

0.13

three hundredths

- 6 Shade the hundred squares to represent 12 hundredths in three different ways.

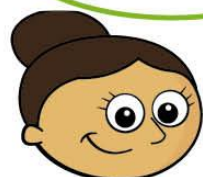

Compare answers with a partner.

What is the same? What is different?

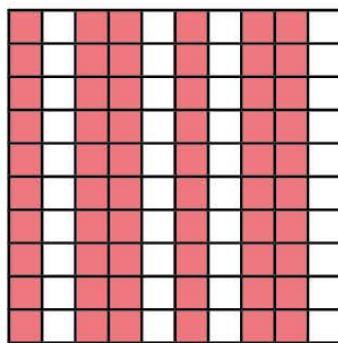

7

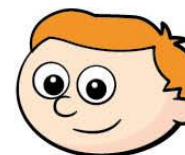

0.6 of the
hundred square
is shaded.

Dora

6 tenths of the
hundred square
is shaded.

Ron

0.60 of the
hundred square
is shaded.

Whitney

60 hundredths
of the hundred square
is shaded.

Jack

Who do you agree with? _____

Explain why.

1 Complete the table.

Hundred square	Words	Fraction	Decimal
	thirty-six hundredths		
		$\frac{82}{100}$	
			0.27
	seven tenths		
			0.3

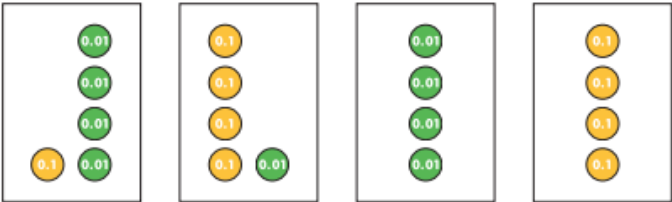

2 Draw decimal place value counters to represent the numbers.

- a) 0.03 b) 0.6 c) 0.63 d) 0.36

3 The counters represent tenths and hundredths.

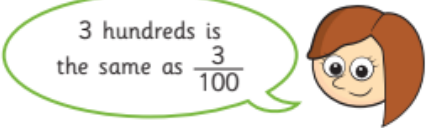

a) Match the decimals to the groups of counters.

- 0.04 0.4 0.14 0.41

b) Write each decimal as a fraction.

4

Is Rosie correct?
Explain your answer.

5 Match the decimals to the descriptions.

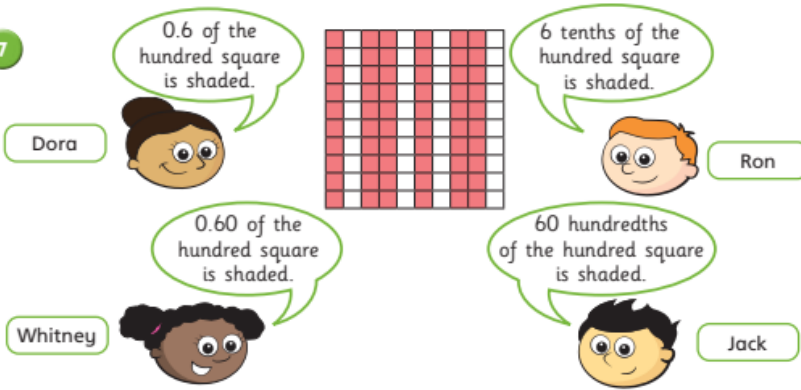

Some of the numbers can be described in two ways.

1.3	one tenth and three hundredths
0.03	thirty hundredths
0.3	one and three tenths
0.13	thirteen tenths
	thirteen hundredths
	three tenths
	three hundredths

6 Shade hundred squares to represent 12 hundredths in three different ways.

Compare answers with a partner. What is the same? What is different?

7

Who do you agree with? Explain why.

I can explore how Christians show the impact Jesus has had through music

Key words

Christianity gospel message
Jesus

What can you recall from last week?

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

Music and religion have both played a role in human life since the beginning.

Religion continues to influence musical tastes.

Psalms 66:1-2 says that musical events let us "make a joyful noise unto God" and "sing forth the honour of his name"

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

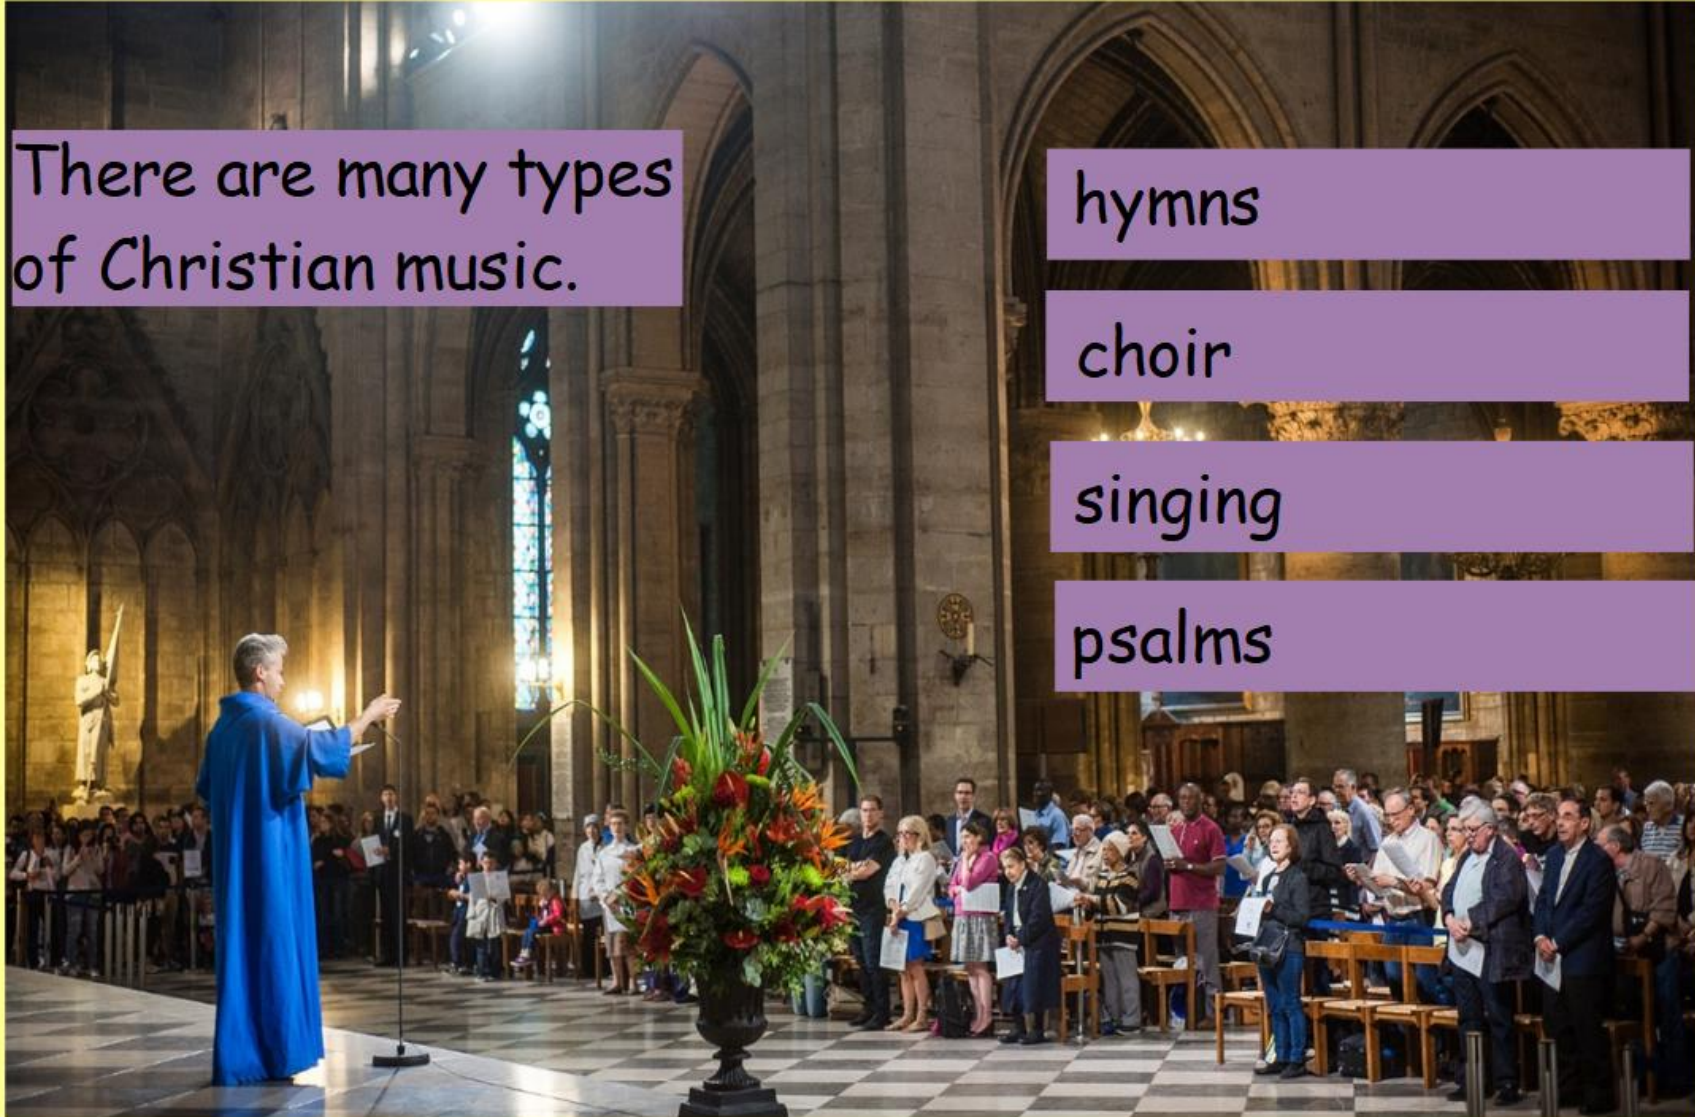

There are many types of Christian music.

hymns

choir

singing

psalms

I can explore how Christians show the impact Jesus has had through music

instruments

praise

shouting out

reflective

dancing

raising hands

clapping

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

What do these lyrics tell us?

He's got the whole world in his hands.

He's got the whole wide world in his hands.

He's got the whole world in his hands.

He's got the whole world in his hands.

He's got the wind and the rain in his hands.

He's got the wind and the rain in his hands.

He's got the wind and the rain in his hands.

He's got the whole world in his hands.

He's got you and me sister in his hands.

He's got you and me sister in his hands.

He's got you and me sister in his hands.

He's got the whole world in his hands.

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

*Jesus loves me! This I know
For the Bible tells me so
Little ones to Him belong
They are weak, but He is strong.*

What do these lyrics tell us?

*Jesus loves me still today
Walking with me on my way
Wanting as a friend to give
Light and love to all who live.*

Thursday 24th March 2022

I can explore how Christians show the impact Jesus
has had through music

Joyful, joyful, we adore Thee
God of glory, Lord of love
Hearts unfold like flowers before Thee
Opening to the sun above.
Melt the clouds of sin and sadness
Drive the dark of doubt away
Giver of immortal gladness
Fill us with the light of day!

What do these lyrics tell
us?

All Thy works with joy surround Thee
Earth and heav'n reflect Thy rays
Stars and angels sing around Thee
Center of unbroken praise.
Field and forest, vale and mountain
Flow'ry meadow, flashing sea
Singing bird and flowing fountain
Call us to rejoice in Thee.

Thursday 24th March 2022

I can explore how Christians show the impact Jesus has had through music

TASK: Look carefully at these lyrics. Can you draw pictures to show the message this song is giving us.

EXT: Can you explain why this shows the impact of Jesus?

You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be.
