Copy the story fixing the errors.

one bay there was a bright blue robot that loved  
to bake cakes for his best friend a kind, helpful  
boy

they were on their ship eating delicious cake  
when suddenly the robot became too rusty and  
froze

later the boy jumped into his flashy submarine  
and dived down into the ocean for some fresh  
smooth oil

# Maths 25.3.22

I can investigate capacity and volume.

**You will need:**

**A range of containers**

**Some water**

**A small cup**

Investigate which container has the largest capacity.

Use the cup to fill each container with water. How many cups do you need?

Remember to fill each cup right to the top!

Can you order your containers from the greatest capacity to the smallest capacity?
