Dear Mr Postman,

I am very sorry for dropping a rattle on your head on Tuesday while you were delivering your letters. My boy, Will, was playing with it when he leant over the edge of our floating castle and dropped it off of the fluffy cloud. It tumbled far too quickly for me to catch it and I couldn't see where it had landed. I found out just yesterday that it had landed on you. What a disaster! I hope you are ok and you weren't too badly hurt. I am sorry that I didn't come to check on you sooner. Let me know if there's anything I can do to help you get better.

Yours Sincerely,
Mother Giant
