I can write an 'Under the Sea' poem.

Floating along in the deep, blue sea,

Was the strangest creature I ever did see.

It was see-through and seemed like it wasn't

really there,

And had long, wavy tentacles as light as the air.

The scariest creature that you could ever believe,  
lives under the wild sea, hidden among rocks.

It is waiting for its lunch, ready to deceive,  
it would surely eat anything, even lost clocks!

Which are the rhyming words?

What are the rhyming couplets?

What is the rhyming structure?

This does not count as line 4. It is just the continuation of line 3!
