

Year 6 Autumn 2 Homework.

Please complete the tasks. You may choose the order. Please return your completed work on Monday 5th December 2022.

World War Two: Evacuation

At the start of World War Two, children who lived in major cities were evacuated to the countryside to reduce their risk of being harmed. In our lessons, we have looked at the positive points and negative points involved with this decision.

Imagine you have just been informed today that you will need to be evacuated next week to live somewhere in the countryside. Your job for homework is to create a list of items you would pack to take with you if you were evacuated.

For each item, explain its importance to you and why you are taking it. Don't forget that you would have no idea how long you will spend in the countryside!

TimesTables Rock Stars

Keep using TimesTables RockStars to keep your mental recall up to speed.

SAM Learning

Don't forget to complete the tasks set.

www.samlearning.com

Cubism

We have been studying the artist Pablo Picasso and looking at the Cubism movement he was a major part of.

Your task is to create a Cubist style piece of artwork.

This can either be a self-portrait or you can choose some items in your home to create an image of like one of his 'Still Life' pictures.

Look at the examples below to help you.

Electricity

We have been looking at how we draw diagrams for simple circuits involving different components such as switches, batteries, bulbs and motors.

All around your home you have a variety of electrical devices and equipment.

Can you choose 5 electrical devices in your home (e.g. kettle, bedside lamp etc.) and draw an example of the circuits that may be involved in them?

Bug Club

Don't forget to read the books that you are allocated every Monday.
