

# Year 6 Spring 1 Homework.

Please complete the tasks. You may choose the order. Please return your completed work on Friday 10<sup>th</sup> February 2023.

## Geography - The Caribbean: Fact Page

We have begun learning about the Caribbean in our Geography lessons this year. The Caribbean is made up of a lot of islands which surround the Caribbean Sea.

For your homework this half term, can you create a fact page for ONE of the Caribbean islands?

For your fact page, try to include things such as: a map of the island, a picture of its flag, population, languages spoken, religion, GDP and other interesting facts!

There is an example on the right but you can set your fact page out however you'd like!

My Country Factfile	
Name of country	Country flag
Name of Capital city	
Language spoken	Population
Climate	Capital
Religion	Bordering countries
Food	Bordering Sea and Oceans
Main geographical features (Mountains, lakes, rivers, valleys etc)	

## TimesTables Rock Stars

Keep using TimesTables RockStars to keep your mental recall up to speed.

## SAM Learning

Don't forget to complete the tasks set.

[www.samlearning.com](http://www.samlearning.com)

## Art - Caribbean Scene

We will be studying a variety of artists who have painted images of a Caribbean scene - whether it's the beaches, the towns or the sunsets.

Your task is to create your very own piece of Caribbean artwork.

Find a picture online of a Caribbean scene that you like and try to recreate it with any media you have at home!

Look at the examples below to help you.

## Science - Animals

We have been looking at how we can sort and classify animals.

Animals can be sorted into different categories: mammals, reptiles, birds, fish, amphibians and insects (there are others but we will look at these in school!)

Your task is to write a comparison text to compare TWO animals of your choice.

Choose ONE from one category and ONE from a different category.

How are they different? What is the same? Why have they been classified in this way?

## Bug Club

Don't forget to read the books that you are allocated every Monday.
