Our Ofsted report has been validated and we are delighted to have achieved our fifth consecutive good outcome. It is your children who truly shine, they are proud of our school and what we do. They value their learning and opportunities and this is very much reflected in the report. The children are at the heart of all we do at Manor. A big thank you to the staff team as this is a reflection of their work over many years. A genuine thank you to our governors who give their time voluntarily to support the work of our school.
