

MANOR PRIMARY

NEWSLETTER

September 2023

Welcome to the first newsletter of the school year. We hope you and your family have had a great couple of weeks. We have certainly enjoyed welcoming the children back. We must also say a huge welcome to all our new children and families in Nursery and Reception!

Head Teacher – Parent Meeting

I will be holding a welcome meeting for parents and carers on Thursday 5th October at 5.30pm. If you haven't met me yet, this will be a perfect opportunity. More information to follow with a link to the online booking system.

Teacher – Parent Meeting

The autumn term teacher-parent meetings will take place in the two weeks before half term – see important dates to the right. These are a great opportunity to talk to your child's teacher. Online booking will be open soon, so keep an eye out for an email.

Attendance

We have recently received several requests for absences. It is important to emphasise that maintaining good attendance is a priority. Authorisations for absences will be granted only in exceptional circumstances, as per Local Authority guidelines. Please be aware that fines may be issued in such cases. Thank you for your understanding.

SCAMPS

We are aware that there is huge demand for places in SCAMPS before and after school club. I am working hard to see if we can offer any more sessions to those on the waiting list and we are looking to expand. We understand how much you need this provision! Please be patient with us.

Before & After School Clubs

I have been working with Premier Education to set up some clubs before and after school – to begin after half term. Our next step is to find out what interest there. Please register your interest using the quick survey. Follow this link or scan the QR code. You can submit a separate response for each child.
