Walk to School

Next week is the beginning of Walk to School Month. We are asking children to travel more actively on the journey to school by walking, cycling, scooting, or using park & (10 minute!) stride.

Children can collect a leaf on the journey to school each day and place this on the poster to create a full tree poster per class. Thank you to Mr Allman for leading the way on this initiative.

SCAMPS!

SCAMPS parents - thank you for your patience with the new booking/invoicing system. It is currently being beta tested and should be live on Monday!

Parents' Evening

The appointment booking system will open on Monday 2nd October for Nursery-Year 2. It will open for Y3-Y6 on Monday 9th October. A separate email with instructions for booking will be sent out on these dates.

Parking & Driving

Sadly, poor parking continues to be an issue for residents and other parents. This week, some of our parents/carers had to walk in the road because of cars blocking the pavements. Please be respectful and considerate to others.

Before & After School Clubs

Places have gone fast for the sports clubs but there are still a few places available on some dates.

Do check out the website if you are interested:
