

Dear reception children,

We hope that you and your family are safe and well.

Things continue to be different at the moment but there are still lots of things you can do at home.

Please try and share some stories together.

This is the work that all children are doing whether in school or at home. Your parents can collect a paper copy from school too.

We will be using this maths website too

<https://whiterosemaths.com/homelearning/early-years/>

We understand you may be missing school and we are more than happy to receive any work, Austin's Art or messages from you. Just send this in an email to the children@manor.walsall.sch.uk address. We can put up your pictures on our school website for everyone to see.

We don't know what will be the next step, but we are looking forward to seeing you very soon.

From everyone at Manor Primary School
