

# Reception Literacy

Hello Class LB and Class KH

Here is your next story to enjoy...there is a different activity to do every day.

# The story

Now click the link to watch the story.

# Activity 1

Write about what happens in the story.

Who are the characters?

Why is Dustin the pug annoyed?

What is your favourite part?

# Activity 2

At night time, Dustin 3000 is put on charge.

Can you write a list of things in your house that need to be plugged in or charged at night.

Two blank list sheets are shown. The left sheet is titled 'List' and the right sheet is titled 'List'. Both sheets have a decorative border and contain several lines of text, each preceded by a small square checkbox. The sheets are intended for students to write down items that need to be plugged in or charged at night.

# Activity 3

When the robot stops working, how do you think Dustin feels?

Why do you think this?

# Activity 4

Here is a list of some words related to the story.

Can you think of some rhyming words for each?

Remember rhyme is when the word sounds the same at the end.  
Sometimes it is spelt the same too. Eg: sat cat mat

dog

eat

pug

roll

food

feet

drop

fight

walk

# Activity 5

Dustin 3000 is a robot which is able to vacuum and tidy up.

If you could create a robot to do something for you, what would it do?

Draw what it looks like.

Maybe you can make it from boxes, Lego or even with playdough!

What happens next? Write the next chapter of the story.
