

# School project about bears

There are eight species of bears across the world. These include the sun bear, sloth bear, spectacled bear, American black bear, Asian black bear, brown bear, polar bear, and **giant panda**.

What can you find out about bears?

Use the American black bear slide for some ideas.

## ► American Black Bear

- American black bears are usually black or brown.
- They eat mainly berries, nuts, grasses and insects.
- Most American black bears hibernate during the cold winter months.
- They are very good at climbing trees and swimming.
- They are usually shy and easily frightened.
- They can run up to 35 miles per hour.

# Soft toy bears

- ▶ There are lots of soft toy bears.
- ▶ Can you find out about the history of the teddy bear?

Paddington, Rupert and Pooh are famous bears.  
What can you find out about them?  
Can you add any other famous bears to your fact finding?

## Do you have a favourite teddy bear?

- ▶ You could film your teddy having an adventure.
- ▶ Create your own teddy character - dress them up and make them into a super ted!
- ▶ You could write your own book - The Adventures of .....

# Make your own bear

► You could make your own bear – you could make it out of some old clothes.

► You could make some new clothes for your bear.

# Plan a teddy bear picnic

What food will you have?

Which toys will you invite?

You might have some ideas of your own

- ▶ Make some bear shaped biscuits
- ▶ Re-write a fairy tale story - puppet show
- ▶ Draw a bear - colour and collage
- ▶ T-shirt bear design
