School News.

Our website: www.manor.walsall.sch.uk

Welcome to our new reception and nursery children.

This is a big step in their lives and one they have responded to extremely well. There will be some adjustments to be made day by day as they find themselves in a much bigger group than they are used to. We look forward to taking them on to their next steps in their learning journey.

The rest of the school are now adjusting to their new routine. Our outdoor sessions have increased to break up the time in the classroom.

DROP OFF AND COLLECTION

DROP OFF - This is steadily improving and we thank you for your support.

COLLECTION

We are managing this within the time zone that we have given you. Please be aware that our reception children will be leaving at 2:50pm next week and this will add to the congestion.

The access to the road outside of school has been limited to permit holders only, at key entry and exit times to school. However, while this is so much safer for our children please be aware that some cars will be permitted to come through. The cricket club are keen not to lose any revenue as a result of this system. This has been implemented by Walsall Highways and will continue.

Where you can please continue to walk to school. Thank you.

DOGS – We have been asked to mention to dog owners that not all children feel confident around dogs, in fact they are quite frightened. Could parents please bear this in mind if you need to come into the collection zone. Thank you.

Reading: We appreciate some parents felt that we did not get this right in the first week. We know that some children will not have read as well with the new adults as they would at home. We have been able to make the appropriate changes as they are becoming more confident to read to us.
