

Manor Primary School Newsletter

School News.

Our website: www.manor.walsall.sch.uk

Great news that school can re-open on Monday 8th March for all of the children. Please be aware that we will continue to adhere to strict ways of operating to ensure the safety of the staff and the children. Please bring Week 8 pack with you to be dropped at the gate on that Monday morning. No school bags please, just a water bottle, coat and lunch box if required.

Our building works have now started. This building is an additional two class block to cater for the two form entry intake. The site has been secured and access will be controlled at all times. This project will be on-going throughout the remainder of this school year and summer holidays.

Diary Dates

Red Nose Day

Fri 19th March 2021

We will organise a fundraising day

SCAMPS

Our provision will remain closed for now. The staff are being re-deployed to provide additional class support which will help with the children returning to school. Moving forwards this will need careful consideration.

ONLINE SAFETY

Please read the parental advice about online gaming and media use on our website. Given information shared recently it is something that parents do need to check regularly and monitor.

Work at home

The weekly work packs have catered for families with and without technology. The tasks we set aimed to match the ability of your child. At school we have been covering the exact same work using the same teaching videos as the children have used at home.

We have appreciated all that you have done during these difficult circumstances.

We appreciate that the younger children have needed more support from you. Thank you.

DROP OFF AND COLLECTION

Please continue to maintain a social distance and wear a mask when you are dropping off and collecting your child.

Drop off - please keep your children with you until they are called
