We appreciate that this term has been a challenge for everyone. We hope that with some release of the restrictions life can become a little easier for us all. It is our hope that with this term finished we can start a fresh in the Summer Term.

We send Mrs Bentley our best wishes as she leaves today to take on another role which means she can spend more time with family. I think we can all relate to this.

Thank you to everyone for all that they have done and a big thank you to the staff team at Manor who have truly given their all through this difficult period.

Please stay safe and support each other in the hope for a brighter tomorrow.

Diary Dates

**New term starts:
Tuesday 20th April 2021**

CAR PARKING & SAFETY

Parking of vehicles outside school continues to be a huge problem. The residents are truly fed up with all that is happening and while they accept they live by a school they feel that people do not give them any consideration. This is creating much ill feeling towards our school. Parking on both sides of the road restricts access for any emergency vehicle. Today a child nearly got knocked down and her mum had to pull her out of the way to stop this from happening. This is something that we should all be concerned about and take extra care over.

WRAP AROUND HOUR

This will start for the families who have requested this support on Tuesday 20th April.

NEW SCAMPS PROVISION FROM SEPTEMBER

Our plans for before and after school club will be available on our school website after the holiday.

DROP OFF AND COLLECTION AT THE SCHOOL GATE

Please continue to maintain a social distance and wear a mask when you are dropping off and collecting your child. We will continue with our times for drop off and collection into the Summer Term.

Please be mindful that for handover we do need to ensure children up to the age of 8 years go to their correct adult. With masks, hats, sunglasses we cannot always recognise you so please be understanding if we hesitate or check.
