## School News.

Our website: [www.manor.walsall.sch.uk](http://www.manor.walsall.sch.uk)

Our Year 1 children had their eye sight checks today. We are beginning to have more services available to us. We are also looking at further opportunities for the children for the last part of the Summer Term.

### School arrival

With the builders on site the year groups entry approach does make it safer overall to gain access into school. Your help with this is much appreciated.

### ***Attendance update from the DFE***

“School attendance continues to be mandatory for all pupils and the usual rules on school attendance apply. This includes parents’ duty to ensure their child regularly attends school, and schools’ and local authorities’ ability to issue sanctions, including fixed penalty notices, for poor attendance. We expect schools and local authorities to continue to communicate clear expectations around attendance to families, identify pupils at risk of disengagement and develop plans to re-engage them. As restrictions begin to lift, we know some families may be looking to take holidays during term time. As usual, parents should plan their holidays around school breaks and avoid seeking permission to take their children out of school on holiday.”
