

MANOR PUPIL VOICE IN ACTION 14.3.2017

The School Council Reps and House Captains did a sampling poll of new drink flavours to the KS2 children on the playground.

Each School Council Rep asked children from their classes to vote yes or no to the new flavours. The Reps then discussed value for money and whether they themselves would buy these new flavours. 92% voted yes.

Children in KS1 also sampled the new apple, and apple and blackcurrant flavours.

97% of children in KS1 who had juice voted yes to the new flavours.

78% of children in KS2 who purchase juice voted yes to the new flavours.

New supplies of these drinks have been ordered and are now on sale.

Pure orange juice will continue to be sold.

All drinks are Government approved for sugar content.

These have become extremely popular.
